First Sergeant Muhlheim,

I am out of the office today. I understand that DGS is scheduling a meeting with the Chief and his leadership team, my preference is to have the leadership meeting first then I will provide a statement.

Thanks

We are scheduling a meeting with the Chief his leadership team and our leadership team and attorneys to discuss this matter. Tell the 1st sgt that your preference is to have the leadership meeting first then you can provide your statements.

Ms. Gill,

Could you please provide a statement about what happened with the protestor that was outside the PHB the other day? We would like to document the calls/complaints you received about his actions out there, and then what your interactions with him were (advising on need for permit, etc).

Since we arrested him, we want to have all of our information together for any future legal proceedings.

You can provide the statement via email, or I can send an Officer by at your convenience to take a statement from you.

Respectfully,

**1SG Matthew Muhlheim**
